

# Crime in a Cold Climate

Stieg Larsson's Millennium Series has become an international phenomenon. If you are looking for a next read, try one of Larsson's Scandinavian compatriots.

## Sweden

**Åke Edwardson.** *Frozen Tracks* and others.

Erik Winter, the youngest detective ever promoted to Chief Inspector in Gothenberg, Sweden's second largest city.

**Camilla Läckberg.** *Ice Princess.*

Biographer Erica Falck working with local detective Patrik Hedstrom in the small tourist village Fjällbacka.

**Åsa Larsson.** *The Black Path* and others.

Rebecka Martinsson, a Stockholm tax attorney who investigates murders in her hometown in Northern Sweden, and Anna-Maria Mella, down-to-earth policewoman.

**Henning Mankell.** *The Man Who Smiled* and others.

Kurt Wallander, veteran Swedish Inspector in Ystad, a small town in southern Sweden.

**Håkan Nesser.** *Woman with a Birthmark* and others.

World-weary Inspector Van Veeteren and his protégés Munster and Moreno, who continue to consult with the retired detective, now an antiquarian bookstore owner.

**Maj Sjöwall with Peter Wahloo.** *The Abominable Man* and others.

A husband and wife writing team, whose main character is Superintendent Martin Beck of the Stockholm Homicide Squad.

**Johan Theorin.** *Echoes of the Dead.*

Amateur sleuth Julia Davidsson, whose son presumably drowned 20 years ago.

**Helene Tursten.** *The Glass Devil* and others.  
Detective Inspector Irene Huss of the Göteborg Violent Crimes Unit.

### Norway

**Karin Fossum.** *The Water's Edge* and others.  
Empathetic Inspector Konrad Sejer and his assistant Jacob Skarre investigate murders involving teenagers and children.

**Jo Nesbó.** *Nemesis* and others.  
Detective Harry Hole is based in Oslo but takes on challenges in remote corners of the world.

### Iceland

**Arnaldur Indridason.** *Arctic Chill* and others.  
Inspector Erlendur Sveinsson investigates missing persons.

**Yrsa Sigurdardóttir.** *My Soul to Take* and others.  
Thóra Gudmundsdóttir, attorney and single mother.

### Denmark

**Peter Høeg.** *Smilla's Sense of Snow.*  
Part of Denmark's small Inuit community, Smilla Jaspersen is a social outsider and a scientist who is an expert on the properties of snow and ice.

**Johan Theorin.** *Echoes of the Dead.*

Amateur sleuth Julia Davidsson, whose son presumably drowned 20 years ago.
