The Ridgefield Library Teen Services Newsletter

June 2011

Hello Everyone!

School's out for summer! (Well, almost.)

At the Ridgefield Library, that means it is time for

Summer Reading Programs. This year, we will still encourage you to read stuff so you can get stuff, but instead of writing your books down on paper, we are going green! The Library has started using a new online program to track all the books you read during summer reading. You can log on at ridgefieldlibrary.org and set up an account. Then add each book to your list as you finish it. The program will keep track of your totals and let you know when you've earned some of your stuff. You can track your summer reading anywhere you have an internet connection!

Welcome to Summer Reading 2011
- online!

Geri

TEEN PROGRAMS

are for young adults in
Grades 6 - 12.

For more information, contact

Geri Diorio

Teen Services Librarian
at 438-2282, ext. 1004
